

Country manager at ExpatFinder.com

Interexpat Pte. Ltd. (Singapore Company) is looking for a country manager based in Singapore to launch its Dutch language version of its expatriate search engine (www.ExpatFinder.com).

Requirements:

- Native Dutch speaker.
- Web savvy.
- Writing skills in your native language.
- Familiar with Internet-based services and applications as such as social networking, blog communities, forums, message boards.
- Solid work experience preferably in online space.
- Good grasp of online marketing and advertising techniques is an advantage.

Key responsibilities include:

- Market study.
- Branding.
- Global development strategy.
- Search engine optimization strategy.
- Marketing partnership management.

Full time.

Remuneration to be discussed.

I remain at your disposal for further information.

Thank you
